

## Taco dip that I made for the Holiday Party 2025

### Ingredients

- 2 8oz. Cream cheese softened
- 1 16 oz. Sour cream
- 2 packets of Taco seasoning packets
- 8 oz. Grated Cheddar cheese (sharp)
- 8 oz. Grated Mozzarella cheese
- 1/2 head Lettuce shredded (romaine)
- 2 large Tomatoes cubed
- 1 16 oz. Bag of Tortillas chips

### Procedure

Beat cream cheese, sour cream and taco seasoning. Until everything is mixed well together. Spread it foil lined cookie tray or a large serving platter. Spread a thin layer of lettuce and top with cheeses.

Refrigerate until ready to serve then top it with tomatoes and serve.

If you like you can also add sliced black olives and jalapeño.
